

IN THE LOOP

SeaKeepers Asia Established

On Friday, April 8th, Julian and Sandra Chang chaired the launch event for SeaKeepers Asia - Singapore 3D: DISCOVERY Yachts; Dedication to Marine Research, Education & Conservation; Delivering Results. The event was held at the spectacular S.E.A. Aquarium, Resorts World Sentosa in Singapore. In addition to celebrating the unveiling of SeaKeepers Asia, recognition of Professor Chou Loke Ming as the SeaKeeper of Singapore and the presentation of The Asia Achievement Award to The Maritime and Port Authority of Singapore marked a memorable occasion and an exciting new chapter in SeaKeepers history.
