

THE INTERNATIONAL SEAKEEPERS SOCIETY'S

FOUNDERS

2026

MISSION

SeaKeepers facilitates oceanographic research, conservation, and education by engaging the yachting community. Its main focus is providing educational resources and hands-on marine science experiences to students, ensuring the planet's future wellbeing. SeaKeepers empowers the yachting community to leverage its unique role in advancing marine science and raising awareness of global ocean issues.

OUR MOTTO

**Research. Educate.
Protect and Restore.**

EVENT OVERVIEW

On **Thursday, October 29th, 2026**, The International SeaKeepers Society will host its annual Founders Event, an evening to honor outstanding individuals involved in ocean research and conservation and the incredible impact of SeaKeepers programming. The DISCOVERY Fleet, whose support has fueled our programs throughout the year, will also be recognized.

FOUNDERS EVENT 2026

THANK YOU FOR SUPPORTING OUR CRITICAL MISSION.

Founders is SeaKeepers' annual charity gala – a moment to come together as a community and directly support the work we deliver across the world. Every ticket, table, and partnership helps fund our programs for the year ahead. These are not abstract initiatives – they are active projects delivered by our teams in the United States, South Pacific, Asia, and Europe, working alongside scientists, educators, and the yachting community. SeaKeepers operates across four core pillars:

SCIENTIST-LED EXPEDITIONS

We connect scientists with private vessels to collect research data in hard-to-reach places at sea.

CITIZEN SCIENCE

We train vessel owners and crews to collect vital ocean data, from water quality to biodiversity, for global research.

EDUCATIONAL OUTREACH

We bring hands-on marine science to students worldwide through Junior SeaKeepers, offering free workshops, field experiences, and mentorship that build skills and a love for the ocean.

COMMUNITY ENGAGEMENT

We partner with communities and businesses to raise awareness and drive hands-on conservation.

This event plays a significant role in making that work possible. It supports program delivery across our global chapters – from funding student workshops and teacher training, to enabling research trips and expanding citizen science participation. By joining us at Founders, you are directly contributing to the programs we will deliver in the year ahead – and helping ensure that ocean conservation is not just discussed, but delivered.

TICKETS & ADVERTISING

Founders is the premium Thursday evening event of the Fort Lauderdale Boat Show. Tickets are limited and sell out in advance of the event. Secure your sponsorship, table or tickets early to secure your spot.

- > TICKET: \$550
